

Physics & Astronomy Graduate Conference

Celebrating the ghosts of physicists past

When/Where:

Fri October 31 2014
10am - 5pm
LSB 106

What:

Student talks & Keynote speaker,
Free lunch,
Prizes

Why:

Display student research,
Practice presentation skills

Who:

You and your fellow
physics students!

How:

RSVP at the link below,
Submit abstract via email,
It's free!

Keynote Speaker:

We will hear from Itay Yavin, a theoretical
physicist working in high-energy particle
physics at McMaster and Perimeter Institute.
